NFO FOLK ARTS GRANT INSTRUCTIONS

The NFO Folk Arts Grant was created to assist exceptional and qualified folk arts advocates in developing new projects that further the vision, mission statement and values of the National Folk Organization (NFO). ([Click here to see NFO's Vision, Mission Statement and Values](#)). Applicants do not need to be an NFO member to apply.

Folk Arts Grants of up to \$2000 are made available annually and are given at the discretion of the NFO Grant Committee, with the approval of the NFO Board. Grants are awarded for the development of new projects rather than for events which are similar to ones organized by the applicant in the past. All decisions are final.

This Grant requires matching funds, either in cash or in kind. The deadline for receiving the completed grant applications is **November 1st** for grants which will be awarded for projects during the following year. (January 1–December 31). Applications received after the deadline will not be considered for that year.

Applications should be sent to Sally Martin at sallybmartin@yahoo.com or to Sally Martin, 70 Coleman Ave., Chatham, NJ 07928
